

PLAYWIZE TECHNOLOGY INC.

COOKIE POLICY

This policy was last updated on January 1, 2022.

General

This policy describes how and when PLAYWIZE TECHNOLOGY INC. (the “**Company**”, “**we**”, or “**us**”) uses cookies. Capitalized terms used in this policy but not defined have the meanings assigned to them in our Privacy Policy. Our Privacy Policy also includes additional details about our collection and use of information.

What is a Cookie?

Cookies are small text files sent by us to your computer or mobile device that enables various features and functionality of our Services. They are unique to your account or your browser. Session-based cookies last only while your browser is open and are automatically deleted when you close your browser. Persistent cookies last until you or your browser delete them or until they expire.

Does Playwize Use Cookies?

Yes, we use cookies and similar technologies like single-pixel gifs and web beacons. We use both session-based and persistent cookies. We set and access our own cookies on the domains operated by us and our corporate affiliates (collectively, the “**Sites**”). In addition, we use third party cookies, like Google Analytics.

How We Use Cookies

Some cookies are associated with your Account and Personal Information in order to remember that you are logged in and which Services you are logged into. Other cookies are not tied to your account but are unique and allow us to carry out analytics and customization, among other similar things.

Cookies can be used to recognize you when you visit a Site or use our Services, remember your preferences, and give you a personalized experience that’s consistent with your settings. Cookies also make your interactions faster and more secure.

Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of our Services, including disabling certain functionality and features of the Services. Therefore we recommend that you do not disable cookies.

More Information

However if you are still looking for more information about how we use cookies, then you can contact us through one of our contact methods set out in our Privacy Policy.
